Courts & Brand Partnership Form

Build padel courts with yespadel or use the yespadel brand

Thank you for your interest in working with yespadel. Besides our padel website and app, we cooperate with partners across Europe in two areas: building padel courts and clubs, and using the yespadel brand for padel clubs, courts, events and products.

What this form is about

Choose in section 3 what you are interested in. Then fill in only the parts that apply to you:

- B – Using the yespadel brand: you want to run a club, courts, events or products under the yespadel brand (brand licence). Fill in section 5.
- A + B – Both: a new club built with yespadel and operated under the yespadel brand. Fill in sections 4 and 5.
